

Data Sharing Agreement details

Servier's data are and shall remain the sole property of Servier. Following Servier approval, access is provided after Servier receives the signed Data Sharing Agreement. This agreement includes requirements for the responsible researcher of the request to:

- a. Only use the data for the agreed research purpose of the Analysis(es) described in the Research Proposal Form and not transfer the data.
- b. Agree with the obligation of confidentiality for 15 years after the term of the Agreement.
- c. Protect the privacy and confidentiality of research participants and not attempt to re-identify research participants nor combine Servier's data with other sources of data that would lead to the identification of any participant.
- d. Obtain any regulatory or ethics approvals necessary to conduct the analysis.
- e. Comply with all applicable data protection legislations.
- f. Perform the complete Analysis(es) within 12 months as of the date of provision by Servier of Servier's data.
- g. Post a summary of the Analysis plan prior to conducting the Analysis.
- h. Inform Servier within 24 hours of any safety concerns as part of the Analysis.
- i. Post a summary of results on a public register or website, thereafter permit Servier to post the summary of results on any publicly available internet register maintained by Servier and seek publication of the research in a peer reviewed journal.
- j. Provide Servier with a copy of any public disclosure of the results, including a copy of the manuscript at least 10 days prior to the submission to a scientific congress or journal. Any public disclosure of such results shall acknowledge the participation of Servier as a provider of its data.
- k. Provide access and reasonable assistance to Servier for the sole purpose of reproducing the Analysis(es).
- l. Allow Servier to use any invention coming out of the research that impacts the ability of Servier to develop or commercialise their products. Such use will be free of charge and throughout the world. If Servier requests additional rights, you agree to negotiate in good faith.
- m. Destroy all Servier's data and provide a certification evidencing such destruction within 30 days of the expiration of the Agreement.

Note this is a legal document and so may require legal review within your organisation prior to your signing.

Please note that the details of Servier's Data Sharing Agreement are non-negotiable.
